Honorable James H. Welsh
Commissioner of Conservation
P.O. Box 94275, Capitol Station
Baton Rouge, Louisiana 70804-9275

RE: Application Notice
Cristellaria I Zone, Reservoir D
NORTHWEST KENILWORTH FIELD
St. Bernard Parish, Louisiana

Dear Sir:

Aspect Energy, L.L.C., ("Applicant") hereby makes application to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Cristellaria I Zone, Reservoir D, in the Northwest Kenilworth Field, St. Bernard Parish, Louisiana.

1. To establish rules and regulations governing the exploration for and production of gas and condensate.
2. To create three drilling and production units for the exploration for and production of gas and condensate.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation.
4. To provide that any future wells drilled to the Cristellaria I Zone, Reservoir D, in the Northwest Kenilworth Field, shall be located no closer than 330' to any unit boundary and no closer than 1500' to any well completed in, drilling to, or for which a permit has been granted to drill to the Cristellaria I Zone, Reservoir D.
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
6. To consider such other matters as may be pertinent to this Application.

The Cristellaria I Zone, Reservoir D, is defined as that gas and condensate bearing interval encountered between the depths of 8,327 feet and 10,090 feet (electrical log measurements) in the

Atlantic Richfield – Joseph Meraux No. 1 Well (WSN 139449), located in Section 4, Township 13 South, Range 13 East, St. Bernard Parish, Louisiana.

A timely request for the pre-application conference tentatively scheduled for November 3, 2005 was not received; therefore the pre-application conference will not be held.

All pertinent data relating to the subject application is available for inspection at the offices of Louis Gilbert & Associates, Inc., 1101 South Hugh Wallis Road, Suite 201, Lafayette, La 70508. Any person wishing to inspect such data should contact Mr. Louis Gilbert at (337) 233-3097 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is not otherwise available from the Office of Conservation can be obtained at the expense of the requesting party. All questions concerning lease ownership should be directed to A.D. Barnes, Jr. during normal business hours at Doyle Land Services, Inc. at (337) 412-6945.

There is attached hereto and made a part hereof, a plat outlining the proposed units and a list of names and addresses of the Interested Parties, Interested Owners and Represented Parties to whom this notice is being sent. Pursuant to the Revised Rules of Procedure, such list of Parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The aforementioned list is available upon request to any Interested Party. A reasonable effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners and Represented Parties as required by the Revised Rules of Procedure.

There is enclosed herewith on behalf of the Applicant a check made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

DOYLE LAND SERVICES, INC.

A. D. "Del" Barnes, Jr.
